

Building a timetable fit for the future

South Western Railway and Network Rail Wessex are embarking on a full refresh of the SWR network timetable.

Have your say on the timetable

We are hosting early engagement in-person events at stations across our network in June. These events are an initial opportunity for you to share your views on the timetable and help shape its design ahead of the formal public consultation in Autumn 2026.

In-person events:

Richmond Station

Thursday 4 June – 14:00 to 20:00

Salisbury Station

Thursday 11 June – 14:00 to 20:00

Bournemouth Station

Saturday 13 June – 10:00 to 14:00

Guildford Station

Thursday 18 June – 14:00 to 20:00
